Dear Mr. Biggs:

The Virgin Islands Department of Education (hereinafter VIDE/the Department) herein designates the Caribbean Museum Center for the Arts, Inc. (CMCArts) as an educational non-profit organization in the Virgin Islands.

The CMCArts offers a wide variety of classes, workshops and other educational programming targeting and engaging students, teachers, and parents. They are a certified non-profit organization whose programs and partnerships are proof of their purpose, which is to enrich the lives of our children. It is in our interest to designate CMCArts as an educational non-profit organization for its dedication to educating the children of our community, not only in creative arts but also Virgin Islands history and culture.

The Department respectfully ask that Virgin Islands Economic Development Authority honor this designation.

Respectfully,
